Subject: RE: Oppenheimer Weiner Complaint

Mr. Weiner,

A written response to the previously received letter will be sent via FedEx to Terri Tepper as she is the sole beneficiary on the accounts. I anticipate the response being sent out tomorrow or early next week.

I will include a response to this allegation in the letter. However, I will take a moment to advise that this figure and the figure mentioned regarding account XXX-XXXX969 (\$12,427.32) are both incorrect. I am not sure how you are calculating these numbers. Perhaps you are just reading the account statements incorrectly. I am not sure. Please see below.

XXX-XXXX395 – \$1,133.05 was charged, but did not take into account the fee increase. The \$1,133.05 was then credited back to the account, and the account was then charged the correct amount of \$1,767.56. Total amount charged was \$1,767.56

01/22/2021	MGMT FEE01- 01 TO 03-31- 2021	0.00	-1,767.560.00
01/22/2021	MGMT FEE01- 01 TO 03-31- 2021	0.00	1,133.050.00
01/13/2021	MGMT FEE01- 01 TO 03-31- 2021	0.00	-1,133.050.00

XXX-XXXX969 – \$3,490.82 was charged, but did not take into account the fee increase. The \$3,490.82 was then credited back to the account, and the account was then charged the correct amount of \$5,445.68. Total amount charged was \$5,445.68.

01/22/2021	MGMT FEE01- 01 TO 03-31- 2021	0.00	-5,445.68
01/22/2021	MGMT FEE01- 01 TO 03-31- 2021	0.00	3,490.82
01/13/2021	MGMT FEE01- 01 TO 03-31- 2021	0.00	-3,490.820.00

The balance of Oppenheimer & Co. Inc.’s position regarding this matter will stated in the aforesaid response being sent to Ms. Tepper. In the event Ms. Tepper has any further questions once the response is received, she should call Mr. Mygatt. You and/ or Nona Ullman can be on the call as well, as long as Ms. Tepper is also on the call.

Sincerely,

Patrick Wade
Executive Director
Oppenheimer & Co. Inc.
